Christmas fun!!!

I cannot believe that we are approaching the half-way mark of our school year! We will begin reviewing concepts we have covered this nine weeks, as we will test prior to the break.

We have wrapped up our unit on the Native Americans. The kids loved learning about the different tribes and creating brochures about each one. See if your child can tell you about their favorite tribe!

Next week we will be completing our second quarter Touchstone assessments in math and reading, as well as the Reading Inventory. Please encourage your child to do their very best work!

Our class party will be on Thursday, December 20th, from 10:15-11:15. Please be on the lookout for a Sign-Up Genius to help with activities/food for the kids.

A HUGE thank you to Betsy Clegg for our tree donation and Andria Stephenson for the tree stand. The kids have gone nuts with excitement and have loved decorating the tree with their hand-made ornaments. (See picture attached.)
