

# Weekly News

February 15, 2019

## Learning Focus for next week:

### Math:

\*Perimeter & Measurement

### Reading:

\*Peter Pan Author Study

### Writing:

\*Opinion Writing

### Language Arts:

\*Parts of Speech Review

### Science:

\*Animal Features & Adaptations

Our MULTIPLICATION MILKSHAKE parties will start next month for students who have mastered their math facts. Please have them practice at home on [xtraMath.org](http://xtraMath.org), the app MATH SPLAT, or with basic flashcards.

## Important Dates

2/18-2/22 - WINTER BREAK  
2/25-23/1 - Read Across American Week  
2/7 - STEM Night  
2/13 - Early Release

I can't say thank you enough for making me feel loved and appreciated every day this week!!! Every gift and sweet card was so very thoughtful! It's my joy to get to teach your child every day!

We finished up our Georgia Regions Pop-up books this week and they look amazing. Students put a lot of time and effort into this project and I am very proud of how they did. The pop-up illustrations look great and they did a great job collecting facts for their informational paragraphs! These will come home when we return from winter break.

When we return from break, we will begin our new book study on Peter Pan. This should be a fun read for the kids. We will end the study by watching the movie.

READ ACROSS AMERICA week is the week we return from break. Please see below for the dress-up days for each day of the week:

Monday: Fox and Sock "Foxiest Socks Day"

Tuesday: If I Ran the Zoo "Dress like an Animal or wear Animal Print Day"

Wednesday: Cat In the Hat "Crazy Hat Day"

Thursday: Green Eggs and Ham "Green from Head to Toe Day"

Friday: Read Across America "REaD, & White Day"
