

# Weekly News

February 8, 2019

## Learning Focus for next week:

### Math:

- \*Perimeter & Measurement

### Reading:

- \*Compare & Contrast themes, settings, & plots

### Writing:

- \*Constructive Responses
- \*Opinion Writing

### Language Arts:

- \*Commas and Quotation Marks
- \*C.O.P.S.  
(Capital letters, Organization, Punctuation, and Spelling Rules)

### Science:

- \*Wrap up GA Regions & Animal Adaptations

On the afternoon of February 14<sup>th</sup>, we will celebrate Valentine's Day with a few activities and the students will swap Valentine cards. There are 22 students in our class. We will decorate a Valentine's bag in class.

We will finish up our Georgia Regions Pop-up books this upcoming week. They look amazing. Students have put a lot of time and effort into this project and I am very proud of how they are turning out. The pop-up illustrations look great and they are doing such a good job collecting facts for their informational paragraphs!

Please continue to have your child practice their multiplication facts at night. They need to be able to determine the unknown in multiplication and division equations. EX:  $7 \times \_\_ = 42$ ,  $42 / ? = 7$

Math Splat is an excellent app to download for additional math skill practice.

## Important Dates

2/14 - Valentine Day card swap  
2/18-2/22 - WINTER BREAK!!!!
